Resolution: Use of ABC properties by short-term renters

The Alcona Beach Club Board of Directors passed the following resolution September 10th, 2018:

Effective immediately, only Members, their guests & long-term renters will have access to our properties. We will require all members to sign a form stating that they will not provide their key(s) to anyone other than known guests or long-term renters. Additionally, long-term renters will be required to become members, pay dues and comply with club rules. No one is to allow transient renters use of the Alcona Beach Club properties. Should a member breach this resolution they will be required to surrender their key(s) and their membership will be revoked.

Alcona Beach Club definition of transient renter: Person or persons who rent for 3 months or less.

I, _____ agree to abide by the resolution described above.
